

Dear Supporter of Better Mental Health:

Recovery International, a 501(c)(3) non-profit organization, is hosting a regional conference in San Diego on February 16, 2024. As a mental health self-help organization, RI has been helping to change countless lives in its 86 years of service. It was founded in Chicago, two years after Alcoholics Anonymous, by neuropsychiatrist Dr. Abraham Low.

Locally, Recovery International has served southern California for 65 years teaching cognitive-behavioral techniques through peer-led self-help meetings. Many face-to-face meetings have evolved into ZOOM Meetings, allowing local community members to connect with others on a global basis.

The RI Conference would be a stronger, more visible event with your organization as an official sponsor. There are many ways to support our efforts. Please see the following levels of giving, as well as an opportunity to contribute an item or service for a raffle prize.

With you at our side, we hope to better serve the interests of our local mental health community, and to achieve the challenging fundraising goals that non-profits routinely face.

It would be an honor to have you as an official sponsor and we look forward to your participation supporting our conference.

Please direct any questions to the San Diego office of Recovery International at (619) 383-2084 or email [conference@recoveryinternational.org](mailto:conference@recoveryinternational.org).

Thank you, in advance, for your generous support helping us to address the mental health needs of our community.

With warm regards,

The Conference Planning Committee

BETTER. MENTAL. HEALTH.™
